Dear Ms Tozer,

I would like to take this opportunity to express my gratitude, at being invited to participate in a fantastic and hugely successful fundraising event.

I am delighted to report that not only did I enjoy this fun-filled evening, but I have since received great feedback from other participants and attendee's who too shared my impression of an overall, wonderfully successful event.

RDA's Dancing with the stars initiative delivered an unpredicted, much greater success, than just that of revenue raising for a *particularly* worthy cause.

This event gave great exposure to a hidden jewel, that until now, existed autonomously in our local community.

It is wonderful to know that *all* the funds raised from this event are going to support some of the fantastic children that live right here in our community.

I understand that the 'Dancing with the Stars' fundraising initiative was the first of it's kind for RDA, and so the risks and set backs can often prove disastrous! This was certainly not evident in this instance, with the 'event spectacular' that was produced on the night.

I would like to congratulate all of those who were involved in making this such a huge success. From those who organised, participated, coordinated and donated to those who sat back and basked in the enjoyment.

Thank you again for inviting me to be a part of this great cause, and to the children that utilise this service, thank you, for reminding us of the wonderful and important organisations that exist within our own community.

It would be my absolute pleasure to support any fundraising events you may be planning in the impending future.

Yours sincerely,
